SYDNEY LODGES: EXPLORE THE DELIGHTS OF POTTS POINT ON US!

Local family-owned hotel group Sydney Lodges is taking a leadership role in drawing people to revisit their vibrant village of Potts Point.

Sydney Lodges' 'Stay Local Package' aims to support the many local businesses that make Potts Point such a popular destination year-round.

"We're an integral part of the community, welcoming thousands of visitors each year and we love our local area," Sydney Lodges GM Marousa Polias said.

"It has been really sad to see the impact the pandemic has had on the local venues, with empty tables and some small businesses gone for good. We miss the Potts Point vibe!"

Ms Polias said that while the pandemic had resulted in both international and interstate travel restrictions, it also presented a blessing in disguise - "a wonderful opportunity for residents of the state - and soon others across the nation - to savour some of Sydney's stand-out destinations."

Under the 'Stay Local Package' guests are invited to come and stay at Sydney Lodges, spend at local businesses including bars, cafes and restaurants. Sydney Lodges will then reimburse up to \$50 per day of their daily local spend, to help revive participating Potts Point local businesses. (see sydneylodges.com/staylocalpackage)

Established in Potts Point for three generations, the Sydney Lodges group has welcomed tourists, domestic and international, to their beautiful heritage properties for more than 50 years.

Ms Polias, who has been with the group for a decade, says Potts Point has always been a vibrant village, full of colour and life and Sydney Lodges is doing its bit to help bring back some colour and life to the locals.

"Since COVID-19 hit we've managed to retain most of our staff and we have been committed to 'Supporting Local' as much as possible, making our guests aware of the fabulous assortment of local cafes, bars and restaurants," she said.

"As we emerge on the other side, we want to continue to spread the 'Support Local' message, so we are offering our guests the opportunity to explore the delights of Potts Point on us."
